It gives me great pleasure to invite you and a guest to join us at our **Gifts in Wills Supporter Reception** at our headquarters in Belfast. This is a great opportunity to hear more about our vital work, the impact you make and how a gift left in your Will can make a huge difference to the lives of local people living with cancer now and in the future.

On the day, you will hear some inspirational and informative talks from Cancer Focus NI's Chief Executive Roisin Foster; Dr Kienan Savage who leads Cancer Focus NI funded breast cancer research at Queen's University; Ivan McMinn, Cancer Focus NI Board member about why he has chosen to leave a gift in his Will to Cancer Focus Northern Ireland, as well as Michael Graham, Head of Private Client Department at Cleaver Fulton Rankin Solicitors who can answer any technical questions about Will writing.

The event will finish with an opportunity to meet and chat with our guest speakers. Please let me know if you would like to attend by contacting me on the details overleaf. We look forward to welcoming you to the reception.

Direct Marketing Manager, Cancer Focus Northern Ireland
