

Party ideas

Missed getting together with your best friends?
Go on, get the girls together, virtually or in person
to fund local breast cancer support!

We've got loads of great girls' night in ideas.
We're sure you'll find one that suits you:

Dinner Party

Garden Party

Afternoon Tea

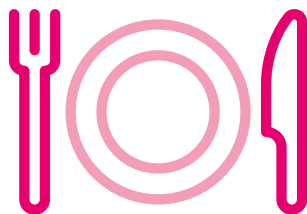

Virtual Quiz Night

Movie Night

Virtual Coffee Morning

Cocktail Party

Pamper Party

Get your brew, bake or quiz on, have some laughs with friends and family, and help us continue to support local breast cancer patients.

Please follow the current government guidelines including social distancing while taking part in your fundraising event for us

PLANNING POINTERS

Everything goes better with a little planning. So here's some quick pointers on how to plan a successful night and help us raise money for our local breast cancer support.

COVID-19

Please ensure you follow current government guidelines, including social distancing, while taking part in your fundraising event. Invite fewer people, wear masks, host your gathering outside if possible, provide hand sanitiser and encourage friends and family to wash their hands often.

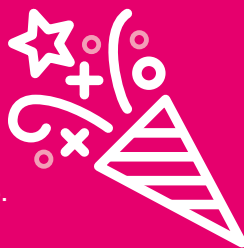

THE SETTING

The setting doesn't have to be fancy. Remember, it's about friends coming together for a good cause. So keep it simple and convenient.

FOOD AND DRINK

Unless fancy food or drink is the theme of your party, it's best to keep things simple. Make refreshments quick to prepare.

NEED HELP?

If it's all too much for one gal to handle, ask your friends to help. You can also contact the Support Your Girls team for bunting, napkins, balloons, buckets and more to dress up your party.
