

“After a really difficult week, the hour I spent at Cancer Focus NI getting my bra fitted really lifted my spirits.

It was wonderful to work with a specialist who knew exactly how to fit a bra to my body, and it made me feel so confident and like myself again after undergoing changes from my breast surgery.”

Breast Cancer Bra & Swimwear Fitting Service

At Cancer Focus NI we provide a high quality, private, confidential and free measuring service. Giving you the opportunity to be fitted for the right specialist bra and swimwear after breast cancer treatment and surgery.

Finding that perfect bra

Our team of friendly expert fitters are here to help you choose from a wide range of beautiful bras to suit any occasion.

Whether it be for every day, sports, or something special, the right bra can boost your confidence and lift your self-esteem.

Helping you feel like yourself again, we stock the leading specialist brands Amoena and Anita. Guaranteeing high quality fabrics and the perfect fit after a lumpectomy, mastectomy, and all reconstructive breast surgeries.

We offer up to an hour for your fitting appointment to ensure that you have sufficient time to be measured correctly. Our fully trained fitters are sensitive to your needs and are there to offer you advice and guidance as you try a variety of styles that are right for you.

All bras and swimwear are sold on a not-for-profit basis with savings of up to **50% off** the RRP.
